

My friend recommended Dhanwanthari
for my arthritis issues and pain. My treatment
here helped to reduce my body swelling & pain.
Doctor is very empathetic & approachable and
he took excellent care ^{of me}. The therapists were
extremely good and efficient with the service
they provided. My stay was very comfortable and
had a very homely atmosphere. All the ~~staff~~ were
caring and took care of all my ~~my~~ needs.
I had a great experience here. I recommend
Dhanwanthari to someone who are looking
forward for the Ayurvedic treatment.
